## IMPORTANT NOTES

Duration of non-thesis master's programmes is 3 semesters and must be completed in 3 semesters according to the rules and regulations of YÖK (Council of Higher Education of Turkey).

If you want to further your education with PhD, you need to study your master's programme with thesis. In Turkey, non-thesis master graduates can not continue for PhD.

Please make sure that you are registered to your courses in the beginning of each semester. Otherwise your studentship status will be passive.

Please make sure that you apply for your residence permit as soon as you complete your registration at the University.

At Beykoz University, total programme fee of master programme's must be paid before completing your registration.
