Dormitory Fees

Annual dormitory fees are as follows between 30 September 2024 - 30 June 2025, with room options including breakfast, exclusively for Beykoz University students. The dormitory fee includes accommodation, breakfast, cleaning, internet and hot water.

*The annual accommodation fee is the minimum standard room and bed fee, specific to our students. If a different bed and room feature is preferred, the annual accommodation fee may vary. This difference may arise, for example, from a reason such as choosing to stay in a single bed while there are bunk beds for 4 people in a 5-person room.

Dormitory Reservation

Beykoz University students receive discounted accommodation in the dormitory in accordance with the agreement made with Birgül Hanım Beykoz Female Dormitory. Our students must pay the dormitory fee after obtaining an entry visa to Turkey or completing the university registration process.

If the dormitory registration is canceled after registering to the dormitory, the payment made for accommodation will not be refunded. Refund of the payment is possible only if the student's residence permit application is rejected and if this rejection is not due to a reason caused by the student, a 10% deduction is made.
